

Functional Skills English | Level 2 Eyewitness Account Templated/Structured Writing Frame

Information

- You recently witnessed an accident at your organisation
- You have been asked to write a report of what happened before for the accident report book.

Writing Task

Write a witness statement of the accident you saw.

In your statement you should

- Say where and when the accident happened
- Describe what happened before, during and after the accident
- Explain how similar accidents could be avoided in the future

You aim to write about 250 – 300 words.

(21 marks)

Response
